

AS AN

AUSTRALIAN CITIZEN I AM CONCERNED

I find myself in a strange time but more alarmingly in a strange land. I feel our rights as Australian Citizens have been forcibly snatched & my question is will we get them back?

FOI from the government treasurer tells us that our government is a corporation and is not of the people...

Now lets take a look where the Commonwealth of Australia (your government) is registered...

Further parliamentary proof that Australia does not belong to the people as we are led to believe...

The plan... It is called The Great Reset. Here is the diabolical plan behind the world pandemic lockdown...

The definition of a world pandemic is 3-4% death rate which means in Australia we would have seen around 910,000 deaths so far. This would have been alarming, but so far we have had around 5026 (TGA) as of February 2022.
